

Road Closure Policy

If a situation arises on a Braintree Town Road, that the road crew is aware of, which interferes with safe passage or would cause a substantial delay, the road crew will close the road and notify the Randolph Fire Department and White River Valley Ambulance in a timely manner as dictated by the event. The public is encouraged to notify the Braintree Highway Foreman as soon as possible, in addition to the appropriate agency such as the electric company or 911. The Highway Foreman can be reached at the Garage at 728-9380.
