Braintree Cemetery Commission Meeting Notes
June 4, 2025

Attendees: Nancy Burchfield, Karl Jassen, Cal Poulin
A motion was made and seconded to call the meeting to order at 7:03 p.m.
The minutes for the May 2025 meeting were approved with no changes
Old Business
The status of the Howard lot buy back is settled with payment to the owners of the part of the plot not being used. It will be reverted to an available lot which can be sold.
Signage at the main cemeteries needs to be updated with Cal Poulin's name and number as contact person and wording that is consistent among the signs. Nancy will follow up.
New Business
There were no burial updates. Cal spoke with Day Funeral Home and asked for as much lead time as possible to prepare the burial sites as we are volunteers, two of us with full-time jobs.
Cal is in contact with the person wanting to buy a burial plot at Mountain View. They are working to find a day and time that two of the Commission members can be there.
Cal heard from a citizen who was upset that flowers at a specific grave were mowed down. Jason of Jason's Mowing has explained that this rule is important to his being able to mow around grave sites.
The cemetery land on other side of Mountain View Cemetery needs to be brush hogged. Kris Haupt has offered to do it. Cal will follow up.
Cal made his semi-annual report to the Braintree Selectboard. He reiterated their promise that something would be done this year to stem the road erosion into Burridge Cemetery.

A motion was made and seconded to adjourn the meeting at 7:52 p.m.
Next Meeting to be held: Wednesday, July 2, 2025 at 7:00 p.m.
Respectfully Submitted,
Nancy Burchfield
