Old Business

The minutes for the June 2025 meeting were approved with no changes

Signage re Cemetery Regulations at the Braintree Hill and Mountain View cemeteries has been updated with East Braintree and Lower Branch to follow. The Lower Branch sign needs a new holder.

There is one April meeting followup left and that is to clarify where plots sold appear in the most recent Tow Report.

The full burial at Mountain View in June went smoothly.

New Business

The Commission discussed a request from the owner of a plot in Lower Branch Cemetery to fix a stone that is tipped and to bring the other stones in that row into alignment with the stone plot marker in the southeast boundary of the cemetery. It was agreed that the stone that is leaning will be fixed by the Commission. There is still a question of whether the stones out of alignment can be fixed in a way that prevents any future erosion as the burials are on a slope. There is no map of Lower Branch thus no designation of exactly where the remains lie. Further research is needed.

A motion was made and seconded to adjourn the meeting at 7:40 p.m.

Next Meeting to be held: Wednesday, August 6, 2025 at 7:00 p.m.

Respectfully Submitted,
Nancy Burchfield
