No members of the public were present. Marlys is joining the BCC!

Old Business:

EAB grant: Per email from Joann Garton: our town is not eligible for any present grant, due to median income being too high. Paul will pursue this question with Joann.

Chelsie will approach the other members of the Selectboard re: a line item in the budget for BCC/ EAB/ ash tree mitigation/ removal/ etc.

New Business:

The members present discussed other areas of interest and possible activity by and for the BCC:

Invasives

Weather events

Water issues (health, contaminants, flooding)

Soil erosion

Mosquito-borne diseases (such as EEE)

Marlys mentioned a light pollution resource: DARKSKY. Perhaps we could present a workshop and/or public event around light pollution (including its effects on bird migration).

No other business being presented, the meeting adjourned at 7:00.

Next meeting: Oct 24 at 6 pm.

Minutes respectfully submitted by Gina Logan
