DEVELOPMENT REVIEW BOARD MINUTES
June 25, 2026

Present: Chair Bob Moyer, Linda Doane, Steve Zind
Absent: Joan Richmond Hall, Shannon Freeman

The Development Review Board was called to order at 7:10pm Thursday, June 25, 2026.

It was unanimously decided that Bob Moyer would remain as Chair and Steve Zind as Vice Chair for the next year.

Linda Doane, speaking for the Planning Commission, requested a joint meeting in September. It was decided to hold our September meeting jointly with the Planning Commission on Thursday September 17 for the purpose of comparing notes and sharing concerns. A general conversation ensued involving issues we might want to share at that meeting. A discussion involved how best to ensure that DRB members had all necessary briefing in advance of hearings. Is it possible for members to share information without involving ex parte concerns? Stress to the ZA the importance of sharing all information involving bylaws involved in a given case.

Meeting adjourned at 8:15pm.
